Serial No.

Letter No. 4480/E dated 19-12-1946 from the Chief Engineer for Irrigation.

Requests, in the circumstances reported, sanction to the grant of an advance increment viz from Rs 75/- to Rs 80/- with effect from 11-2-1947 to Mr. M. Krishnamurthy Naidu, Draftsman, working under Mr. G. H. Krumbiegel, Consulting Architect.

As per G.O. No. 9178-84/Est 22-45-27 dated 29.6.1946, Mr. G. H. Krumbiegel, who has been appointed as Consulting Architect and Advisor in Horticulture and Town Planning, has been allowed the service of a Draftsman.

2. Mr. M. Krishnamurthy Naidu, Draftsman is stated to be working under him. The draftsman is drawing Rs 70/- from 11-2-1946 in grade Rs 53-5-80. Rs 75/- is due to him in the usual course from 11-2-1947. In view of the good work done by him, the CE., on the recommendation of Mr. Krumbiegel, requests sanction to the grant of an advance increment to the Draftsman from 11-2-1947.

3. A-180 of M.S.R. regulating the grant of advance increments is noted below:-

of progressive pay in advance of the due date, should always be scrutinised with special jealousy: it is contrary to the principle of progressive pay to grant an increment before it is due, and such a grant should not be recommended or allowed, except under circumstances which should justify a personal allowance to an officer whose pay is fixed — that is to say, seldom if ever. Such increments in advance can be allowed only under the special orders of Govt. in each case."

4. The proposal of the CE is for orders, with financial concurrence.

The work done is his natural duty and does not call for any special consideration. The advance increment in advance to an officer on progressive pay is against the principles laid down in G.O. M.S.R.

P.W.D. SECRETARIAT. 3173 Date 23.12.46

The Secretary to Government,
Public Works Department,
Bangalore.

Sir,

Mr.M.Krishnamurthy Naidu, Draftsman.

In forwarding herewith a copy of letter No.D.0.361 dated 25-11-1946, from Mr.G.H.Krumbiegel, Consulting Architect addressed to the Chief Engineer for Roads and Buildings, regarding the grant of an advance increment to Mr.M.Krishnamurthy Naidu, Draftsman, I have the honour to state as follows:-

2. Mr.M.Krishnamurthy Naidu, who is a qualified hand, was first appointed as a Tracer on Rs.30/- in February 1932 and was subsequently promoted as Assistant Draftsman. In his turn he was promoted as Draftsman in grade Rs.55-5-80 on 11-2-1943 and his services were placed at the disposal of Mr.Krumbiegel from 2nd October 1943. As Assistant Draftsman, Mr.Krishnamurthy Naidu had a stagnation on Rs.50/- in the old grade Rs.35-3-50 for over three years. The Draftsman is in receipt of a pay of Rs.70/- from 11-2-1946 and in the usual course his pay will be raised to Rs.75/- on 11-2-47 in grade Rs.55-5-80. Mr.Krumbiegel states that consequent on his appointment as Consulting Architect and Advisor, Horticulture and Town Planning, the work of the Draftsman has been increased and in view of the very good work turned out by Mr.Krishnamurthi Naidu he may be granted an advance increment from 11-2-1947 i.e., Rs.80/- instead of Rs.75/- which he will draw in the usual course. The Chief Engineer for Roads and Buildings recommends the above proposal in the circumstances stated by Mr.Krumbiegel.

3. I therefore request that sanction of Government may kindly be obtained and communicated to the grant of an advance increment

C.O.,

an advance increment of Rs.5/- to Mr.M.Krishnamurthi Naidu, Draftsman with effect from 11-2-1947 as proposed by - - Mr.Krumbiegel.

I have the honour to be,

Sir,

Your most obedient servant,

CHIEF ENGINEER FOR IRRIGATION.

Letter No.D.O.361 dated 25th November 1946 from Mr.G.H. Krumbiegel, F.R.H.S., "Devonshire House" Residency Road, Bangalore Road, to the Chief Engineer for Roads and Buildings.

Mr.M.Krishnamurthy Naidu is working with me for more than three years. He is a permanent Draftsman of the Public Works Department in grade Rs.55-5-80. His continuance as Draftsman with me on his own pay and grade (plus cycle allowance) has been sanctioned as per G.O.No.P.W.9178-84/Est. 22-45-27 dated 29th June 1946. I would like to say that he has been of great assistance to me.

"I"

The work of this Draftsman has very much increased consequent on my appointment as Consulting Architect (and Adviser, Horticulture and Town Planning) from 14th April 1946. He is a very concientious, painstaking and able Draftsman who deserves every encouragement. I had recommended for a deputation allowance last year. However, Government was not pleased to sanction the same. I am of opinion that suitable recognition should be shown to his hard work. I request that you may kindly recommend to Government to sanction an advance increment to him. His pay in grade Rs.55-5-80 will be Rs.75/- from 11th February 1947 in the usual course. I strongly recommend, he may be allowed to draw Rs.80/- from that date with his usual allowance.

Thanking you,

"COPY"
